

APPENDIX H

EDUCATION UNITS - RATES

The price that the Authorized User will be charged is the purchase price in effect at the time of order placement, or the Authorized Users price in effect at the time the training course is conducted, whichever is less. The price for a single student day of training (an Education Unit) at an Oracle Education Center is \$350 per student. The units required for on-site training conducted at an Authorized Users location are the following levels:

<u>Class Size</u>	<u># of Education Units/Course Day</u>
Up to 18 students	10 units
19-21 students	11 units
22-24 students	12 units

Instructor travel and living expenses are in addition to these fees per course day. Expenses, if any, reimbursed by the Authorized User hereunder shall be necessary, approved in advance, in writing by the Authorized User and shall not exceed current State of Texas Travel Guidelines for State employees. Unless the Authorized User otherwise agrees in writing, reimbursement of airfare will not exceed the cost of coach class airfare. No other categories of travel cost are eligible for reimbursement.

In the event that the Authorized User cannot provide the appropriate training facilities for on-site training, a classroom may be reserved at an Oracle Education Center for exclusive use by the Government activity for an additional three (3) Education Units. This is in addition to the “Number of Education Units per Course Day” charged listed above.

Education Units may be used as a medium of exchange for any of the products and services offered by Oracle Education, including the entire training course offering. Training Credits are purchased in advanced and remain valid for one (1) year from date of purchase.

Volume purchase of Education Units on a single order are eligible for the following prices:

Number of Units	Unit Price
1-24	\$350
25-49	\$339
50 and over	\$327

FORMAT AND CONTENT OF CLASSROOM TRAINING

Oracle shall provide written materials (i.e. manuals, handbooks, texts, etc.) normally provided with course offerings. Documentation will become the property of the student upon completion of the training class. For hands-on laboratory, there is a one-to-one assignment of computer workstations to students. Oracle shall provide each student with a class Certificate at the completion of each training course.
